# Comprehensive School Reform (CSR)

- *Addresses every aspect of a school.*
  - ✓ *Curriculum and Instruction*
  - ✓ *Assessment*
  - ✓ *Enrichment / Intervention*
  - ✓ *Professional Development*
  - ✓ *Scheduling*
  - ✓ *Leadership and Management*
  - ✓ *Family and Community Involvement*
- *Integrates scientifically based research practices into one unified program to improve student achievement.*

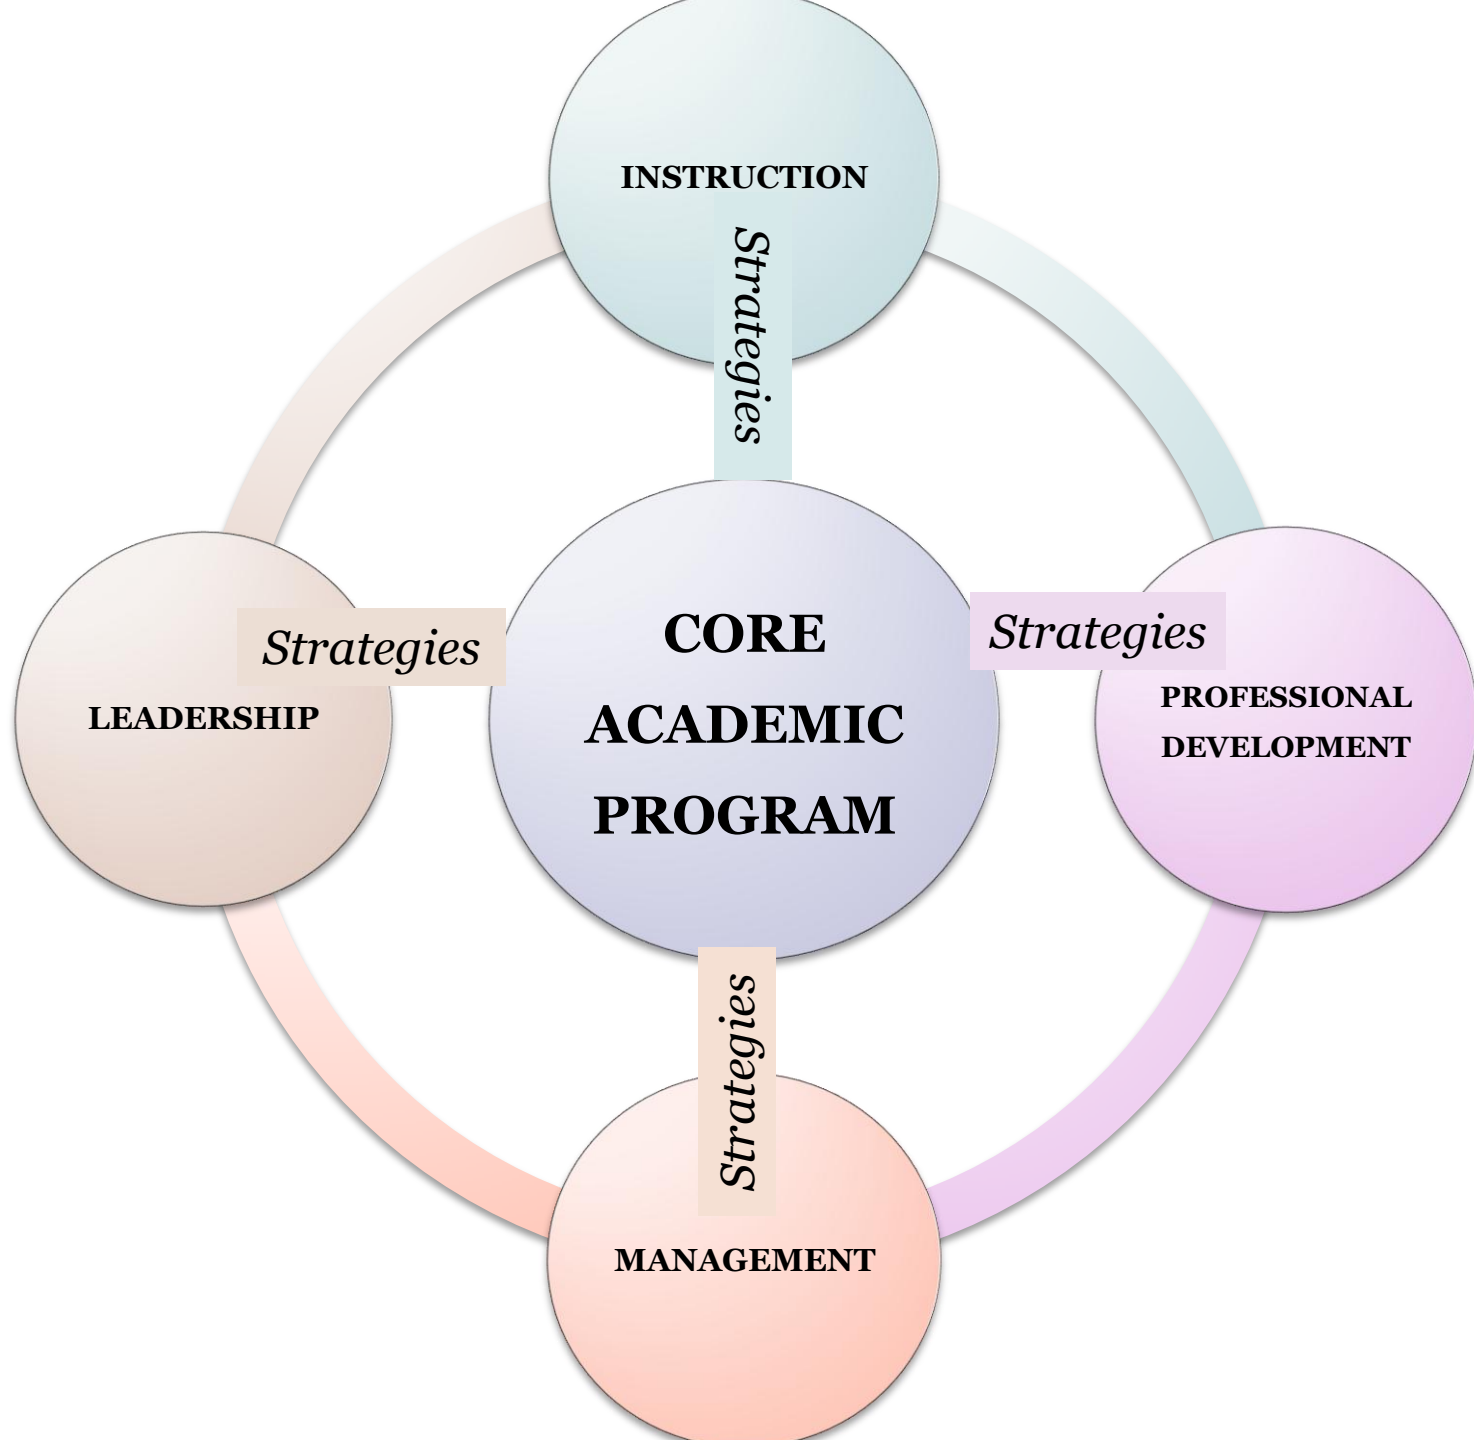

# CSR Model

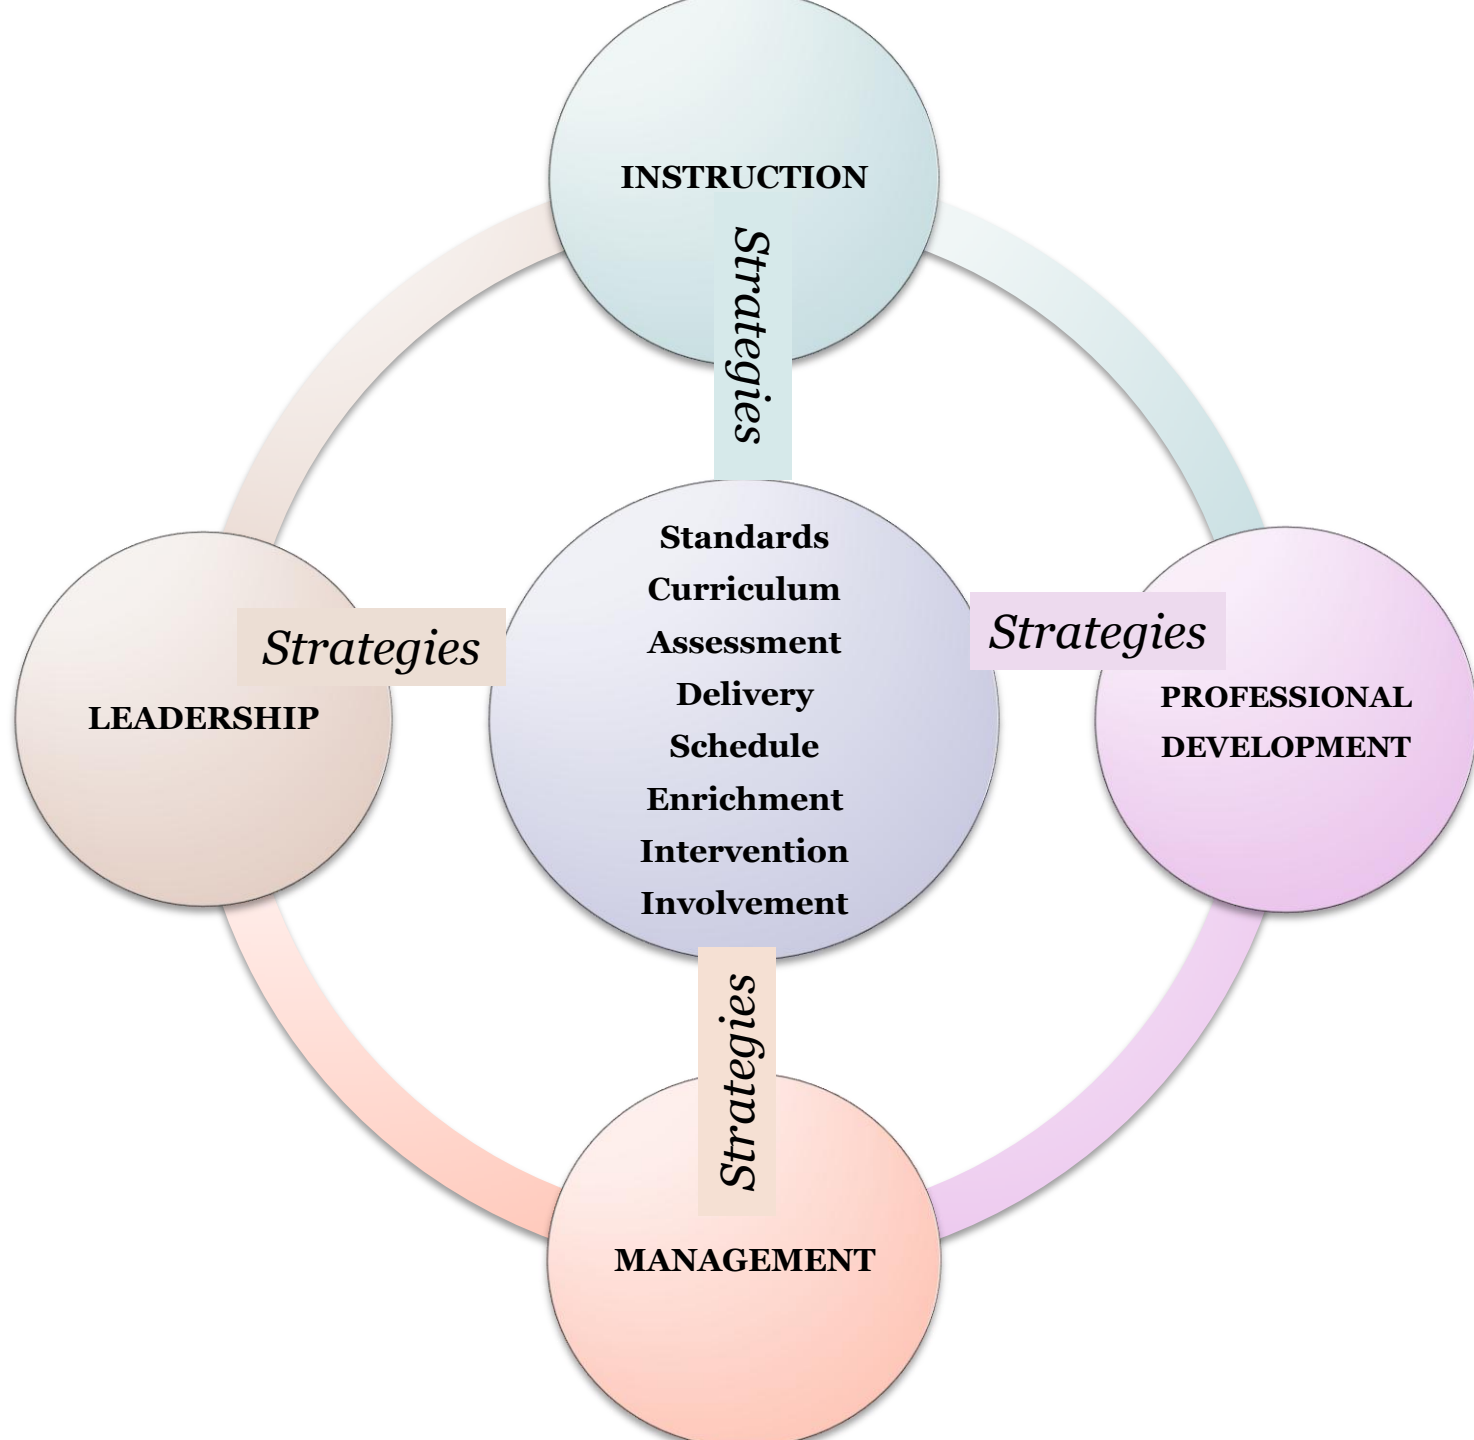

Purpose: Raise student achievement.

- ✓ Effective CSR models integrate research-based practices into one unified program addressing student achievement and schoolwide performance.
- ✓ Serves as a “blueprint” to help schools make improvements in a number of areas.
- ✓ Vary in focus, philosophy, and method.

# CSR and Title I

- ✓ *Schools implementing a Title I Schoolwide Program must adopt school reform strategies to strengthen the whole school education program.*
- ✓ *CSR models should provide education reform strategies to address the goals of the SW plan and the prioritized needs identified in the school Comprehensive Needs Assessment.*
- ✓ *Title I SW schools **must adopt a CSR approach** in order to provide a research-based, replicable set of practices.*

# Selection Process of CSR Model

1. Identify the most important model/program characteristics for the school (based on the comprehensive needs assessment).
2. Conduct careful research and site visits (if possible).
3. Verify if CSR Model meets Title I Schoolwide and CSR criteria.
4. Receive input and feedback from all stakeholders.
5. Narrow choices to 2-4 CSR models.
6. Present final selection to all stakeholders.
